foiled their approach 'tilr the Capital was tified, and then though wounded min full armed to the ranks of his admitting

Mr TANET rose: In his peculiarly plain and forcible and he pressed his gratitude for the company that had been paid him;—he could not be er, he said, consider himself as entitle he credit boyond the faithful discharge of ctedit beyond the faithful discharge of imposed by the will of a vast majority countrymen, in the assertion of great ples, essentially connected with the vation of their liberties, which must upon their un wereing virtue, intolera and resolution. He alluded to the dauge tempts of a vast moneyed corporation, as seas itself of sovereign power over shoof enlightened freemen, and the ruthlesse sures by which it endeavoured to account the season of the source of the congratulard countrymen on the firmness with which thad met the hour of trial, and on the story which had thus far conversed their story.

hich had thus far crowned their deroin to fancied security. He conclude to The People of Baltimore. - Always the cause of Freedom.

The 8th toast called forth the acknowled Sampson of the Senate; the championed pular rights, most dreaded and detesting hose who sought their destruction-

"Safest he who shood aloof,
"When insupportable his not advanced,
"Spurned them by troops,"

Mr. Be ton thanked his hosts for the home Mr. Be ton toanker his nosts for the hise they had cone him—they would apprein, he said, the value he attached to it, when a informed them that he had postponed these particle of his cami'vefor the west, and short nailf be compered traccomplish a ride of M passing a brief space in the company of the and baffled the furious assoults of that most ter, the Bank of the United Sates,-ile pecie currency, which should displace the nall notes, with which it was inundated, and ey worthy of it—gold and silver;—re-that would not easily wear out—most o enjoy a little rest from his labours.

He had been a witness, too, he added & the virulence (unparallelled in his experies 4 and he was one of the oldest members of the Senate) with which, during the last senate the private and public character of had been assailed; this, too, beat membered, with regard to an officer, who nd there, under their oath of office, to real consideration. He had witnessed en rend's religious opinions. - He had witness and he had witnessed too, the unequaled alinness with which resolution after resolthat crushing force every answer came-is lowncast eyes—the pallin cheek—the mittering but hushed lip of buffled mail e-the astus effort to hide it from the people, by shi ling it away among the papers of a commitee :- the spectacle, in fine, which the wisdo per, gnawing at the file -the object of ta ing jaws of the assailants testifying the reafter day, the nomination was called for day officer, appointed in strictest accordance will the letter and accordance will the letter and spirit of the constitution

glut itself with anticipated immolation .-he had witnessed a scene, which remunicate him of the policy of priental despotism; where when power had doduced its victim, the blad Eunuch proceeds, in silence, to strain to bow-string about his neck. So, too, when ed how the mandate he would not us what Grand Seignor-was executed. The in-man had gone forth-the mutes strangled the

devoted vizier.

He would add, that he could say more, without violating any principle which should regulate the intercourse of a gentleman with regulate the regulate th bis opponents;—he could say, that if his fried did not, at this moment, fill any other office in the gift of the President and Senate, was Because he had refused \$1!!! Mr. Betton went on to appropriate the senate of the senate ton went on to comment on a certain analoge between our modern Senatorial practice and that of the British Parliament. His anditors, though not though not all lawyers, were doubtless to quainted with the theory of Bills of attainder. vhen an individual happened to be shorted out to the Ruling Power, it hat aften the by, what was called, a Bill of Pains and Person alties—by which his life was distroyed is estate confiscated, his blood corrupted estate confiscated, his blood corrupted on something of the same sort had been attempted, and the confiscated of the Bank, by the Senate of the United States, towards both is

stinguished friedd, Mr. Taney, and the stimuished Irredu, Mr. 12ney, and the resident, whom he had so gallantly substained in his contest for the liberties of the A-rican People; but there was another circustance in the history of attainders, emaily notations. It was, that in the gradual scadency of Truth and Justice over Falseand Malice, these Parliamentary attainod and similer, these rathamentary attained were generally reversed by succeeding this ments. The American Peuple had all attained at a succeeding this provention of these Senatorial attained at a succeeding the succ of reversed these Senatorial attained in their decision, before long, would be remarked among the archives of the nation.

Mr. Benton proceeded to remark open the adding of the recent measures of the administration, to promote the substantial pecular interests of the country; and, in a hap-trein of saire, exposed the artifices of the and its satelliter, to throw discredit on the specificurrency, which Congress had mined to introduce. At this stage of been wound up to the highest of gratified excitement, one of the most is gasts came on, which we remember to witessed. The rain had for some time with drenching force, while the orator were blown away, large trees over-and the assembly forced to retire for ering, for such might have been disperty bearing storm with that which during the last winters a storm which breatened them with the loss of bread dging, and raiment, and to turn them tered to beggary and ruin; they thought

damped or melteil by the summer s, being loudly called for ascended a contorical power, with the R publicans of Bal We deady rigret our inability to present

w re carticularly struck. however, wit 4- ge wiere, after describing the hetero up) the liberties and prosper poorly, marching under an hag of nulli-tion bloods ed with its black porture—the the miny-hard emplem, of the system

scalled American, he proceeded to comof the grand that the panic committee of their eaves-dropping visits—the ank memorials had paused in their tales of ex topics of lamentation. They beheld ant hirvests; increasing specie-distres here but in the baffled midnight conclave; dhe summed up their feelings in the ex-essive words which the muse of Milton ha-cribed to the arch enemy of the human

nemiserative; which way shall I fly?
Which way I fly is Hell! myself am Hell!
And in the lowest deep a lowe deep
Still threathing to desour me opens wide
To widch the Hell I suffer seems a Heaven! earnest request was made to Messrs oton and Allen to accept a dinner from it almirers in Baltimore; which we regret

state their engagements prevented them " a public meeting to be called, in the eat of their compliance, on the following step were likewise obliged to decline. fter a few concluding observations from I fleth, the company dispersed, well onlone for our Party, our City, and our
